

BEST BACK BOWL

Objective:

Eliminate short bowls, practice running shots.

The Game:

- This is a Team Game
- Team 'A' delivers the Jack and then plays a bowl to finish just beyond that Jack.
- Team 'B' then plays a bowl which must come to rest beyond the first Team 'A' bowl.
- Teams then continue to play, in rotation, until all bowls have been played. The winner is the team with the most counting bowls beyond the Jack.
- Any bowls that fall short of the previous bowl shall be removed and not be counted for that end.
